Athletic Director's Report

Jordan gave a recap of the fall season and expenses.

Funding Requests

none

Old Business

- What should Booster Club be doing at the Basketball tournament - sell t-shirts? Kurt and Sean on the subcommittee will work with Jordan on details of the tournament

New Business

- Consideration of Discount Cards. Kurt Moelter discussed his vendor Adrenaline that he used for years. Usually make 10k using 45 kids for one week. Businesses want their names on the cards and we don't have many cards in St Peter right now. Advantage of having athletes do the fundraising for their own sports. General consensus that we are missing a large opportunity by not selling any coupon books. Booster club would need to communicate to businesses that Booster Bash, Golf Tournament, and Adrenaline cards are the main fundraisers of our Club. Kurt will get more info and general consensus that we would sell them in Spring. Adrenaline rep will come to the Dec 5 meeting.

Announcements

- Recognition for teams? The digital board is used in the gym. What about at the fields?
