General Information & Guidelines

**A Quick Reference Guide
for Supporting
St. Peter Saints
Athletic Programs**

OUR MISSION STATEMENT

The mission of the St. Peter Booster Club is to foster an environment that encourages athletes, coaches, parents and the community to create a positive and spirited atmosphere for all athletic programs.

The St. Peter Booster Club will provide financial support through a select group of fundraising activities and aide in promoting school spirit, integrity and good sportsmanship. All Booster Club fundraisers are done in accordance with District 508 school board policy 004.8 "Booster Clubs".

WHAT WE DO

- * Volunteer time and raise money.
- * Contribute funds to better enhance the team or organization's performance.
- * Financially support the SPSHS athletic programs by providing additional funding for equipment.
- * Listen to and work with the head coaches of each of our school-sponsored sports.

WHAT WE DON'T DO

- * Openly discuss or review coaching or team support staff performances, even for those coaches which are funded by the Booster Club. Staff evaluations are SOLELY the responsibility of the school district.
- * Openly discuss playing time issues.
- * Recruit or encourage athletes from another school district to transfer to District 508.
- * Pay for any fees associated with camps or clinics including participation, lodging and transportation fees.

BOOSTER CLUB EVENTS

The St. Peter Booster Club raises funds in two different way -- membership dues (which is explained later on this page) and fundraiser events. Those fundraiser events include:

- * Saints Booster Golf Tournament (summer)
- * School Dances (winter)
- * Saints Booster Bash (spring)
- * Concession stand (fall, winter & spring)

PROJECTS FUNDED

The St. Peter Booster Club is proud to support Saint Peter High School athletics. Over the past year these are the types of projects the Booster Club has funded:
