## Entertainment Suggestions

I know music is usually done, has anyone ever looked into a comedy show? Not sure what that would cost or if the environment is right for it since I have never been to the Booster Bash due to it always falling on Youth State Wrestling Weekend.

Music in background with maybe another wine/beer tasting like the first booster bash as "something to do". More of an MC with more games/activities.

Depends on location

I think if we went Capital Room then we could "class it up" a bit. If not, local band works great.

## Food Suggestions

I think people like the vendor/food truck options, this gives more of a variety.

One food truck?

I liked the food trucks

Food truck, pizzas

Depends on location (Capitol Room would have a different feel than Johnson Hall)

BamSota BBQ again!

Food trucks are great for Johnson Hall. I just heard great things about Sadaka's Deli in Mankato. Having options is key.
